

# 2018 Summer Programs

LSVI will offer four different academic programs this summer. Morning sessions will focus on rigorous instruction, while the afternoons will involve a little fun in the sun. Students must participate in the morning session in order to be included in the afternoon session.

These programs are offered to all visually impaired students in Louisiana.

Dates-	June 4-7, 2018	<u>Transportation/ Dorm information will be provided soon!</u>
	June 11-14, 2018	
	June 18-21, 2018	
Time -	8:00-3:00	

**Please call school if you are interested in registering your child for our summer program. 225-757-3481**

<b>Programs</b>	<b>Enrichment</b>	Pre K—5 focus on reading and math
	<b>STEM</b>	6th—9th focus on science, math and technology
	<b>ACT Prep</b>	10th—12th Preparation for testing
	<b>Internships</b>	Students will be placed in work-related positions

The expanded core curriculum, which includes O&M, living skills, assistive technology and recreation, will be a main focus throughout the three week program.
