**Spring Festival-
Lions Club Picnic
April 5th, 2017**

LSVI's Spring Festival, scheduled for Wednesday, April 5, 2017, gives our students an opportunity to interact with other student groups and organizations while enjoying the warm spring weather. Activities include a variety of inflatables, a petting zoo, pony rides, interactive events, and a few "unusual" participation experiences. **Visually impaired students currently attending a Louisiana elementary, junior high, or high school are welcome to join us for the festivities. Students must be accompanied by a parent, guardian, or school official.** In order to adequately plan for the festival, we ask that you contact the LSVI office at 225/757-3481 or the Orientation and Mobility Department at 225/757-3489 to sign-up for the event.
